

Move Cross

ZOP012045

A STROLLER FOR EVERY TERRAIN

Conquer all obstacles with rubber wheels and smoother suspension. Even in difficult terrain, the Move Cross will take care of the comfort thanks to a spacious, softly padded seat with a five-point seat belt, an adjustable backrest up to a lie-down position and an adjustable footrest. It can carry children up to 22 kg. The Move Cross stroller will become an indispensable companion for active families.
